

Innovative Teachers' Companion 2011

the thinking teachers' diary®

The **innovative teachers' companion** is Australia and New Zealand's best-selling teacher's diary. It offers all of the functions of a standard teacher planner, such as class attendance forms, semester timetables, forward /planning calendars, etc., in addition to literally hundreds of exciting ideas for planning lessons that will engage your students in higher order thinking.

What's New in 2011

Great ideas for NAPLAN

New and improved layout and binding

FREE ITC Thinking Reward Stickers

Over \$500 worth of promotional offers

Ideas for creative writing tasks

'Unquestionably, the best teacher organizer, planner, wealth of practical ideas and day-to-day diary I have seen in my travels across 23 countries.' John Joseph

Your 2011 Companion is your complete teacher planner and reference tool for the entire school year, offering:

- * A constant and ready reminder of the thinking curriculum through constant access to the ITC Thinking Framework providing:
 - o A clear framework for thinking at the different levels
 - o Icons to assist students on how to act at the different level of thinking
 - o Easy reference to collaborative thinking tools
 - o A whole-school approach to higher order thinking
- * Combines a daily organiser with more than 40 quality thinking, and learning strategies
- * Assists teacher lesson planning and aids student learning
- * NAPLAN ideas
- * Activities for Science Week and Children's Book Week
- * A superb organisation framework for every day of the year!
