

# MONDAY MAY 31

# DAY

**ON THIS DAY:** 1910 The Union of South Africa was established.

**Jigsaw**  
**The Human Body's Systems (Science)**

**Step 1:** Each home group contains an expert in each of the following topics:  
Digestive system, Circulatory system, Nervous system, Skeletal system.

**Step 2:** Experts form groups based on their common interest and research.

**Step 3:** Experts return to home groups and report on what they have learnt about their topic.

**Step 4:** Home groups report to class on 'Systems of the Body'.

**Things to do today...**
